Branding Options

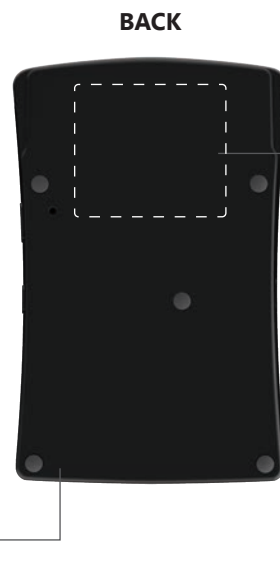

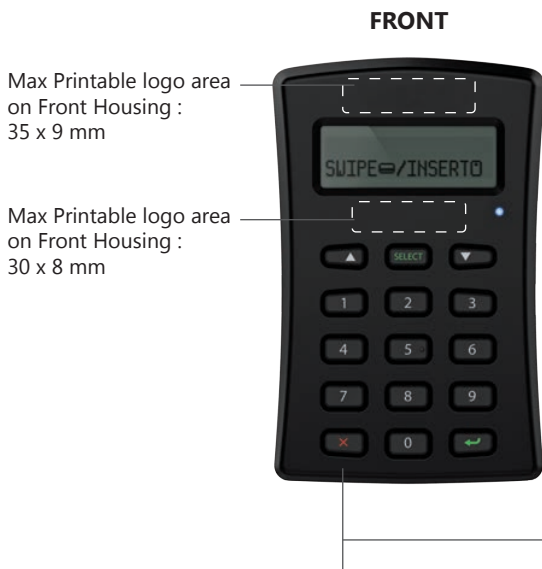

In order to promote your brand successfully, **WisePad®** may be branded by presenting your company logo to the front and/or back housing to make your customization. This product is available in black. Other colors are limited and available for an additional cost. Check with your Sales Representative for availability.

Production Timeline and Requirements:

1. Provide BBPOS with artwork based on below guidelines (at least 4 weeks prior to mass production) .
2. BBPOS will send a virtual mock-up to you for review on screen.
3. Edits can be made based on your feedback.
4. A physical sample will be arranged. Your final approval is required before mass production.

Scale: 1:2

Product Size: 113.14 x 72.5 x 16 mm

Front & Back Housing
Color: Black
(Front & Back Housing colors
are customizable)
Texture: EDM Etching

Branding options

Artwork: Logos, urls, and other graphics can be applied to both the front and back housing of **WisePad®**. In order to brand your **WisePad®**, you will need to submit your logo and artwork as high resolution files in either EPS or Ai format. For logos and other applied marking/graphics in 1-3 spot colors are preferred. It is highly recommended (and in some cases necessary) keep the graphics & artwork simple and prevent from overly complex effects such as gradients and blends. All artworks must be provided to BBPOS at least 4 weeks prior to mass production.

Color: The color on both the front and back plastic housing of **WisePad®** may be changed. You will need to advise the accurate Pantone number for our reference. Customization may add to the cost and requires a minimum order number.

WisePad®

Packaging Options

PP plastic box with plain sleeve is the standard packaging of **WisePad®**. In order to help promote your brand successfully, we are pleased to present your company logo on the packaging. Any customized colored gift box or logo printing on the white box may incur extra cost. There are various options available to fit your business need.
